Methodological Notes

Disclosure by Tillotts Pharma of payments to Russian healthcare professionals and healthcare organisations in 2015

Section VII of the Association of International Pharmaceutical Manufacturers Code of Practice (the AIPM Code) mandates the public disclosure in 2016 of certain transfers of value made by pharmaceutical companies during 2015 to Russian healthcare professionals and healthcare organisations. The disclosure data will be published on the website of Tillotts Pharma, www.tillotts.com.

The methodological notes below explain the data Tillotts Pharma have disclosed and how the data have been prepared, to assist the reader's understanding.

VAT
VAT is excluded from all disclosures of transfer of value.

Currency
All disclosures are made in Euros (€). Where the original payment was made in another currency, the sum was converted to Euros at the average annual exchange rate.

Consolidated Disclosures of the Corporate Group and Cross-border Payments
The disclosures represent the consolidated transfers of value made by the Tillotts Pharma corporate group in line with the EFPIA Disclosure Code's dictate that separate entities belonging to the same multinational company (which could be the parent company and subsidiary company) shall be deemed to constitute a single company. The disclosures for 2015 represent payments by Tillotts Pharma AG.

Multi-year contracts
Where multi-year contracts are included in the disclosure data, the disclosures related to such multi-year contracts represent the services rendered and paid for in calendar year 2015 under such contracts.

Data included
The data disclosed by Tillotts Pharma is consistent with the requirements of the AIPM Code. The data can be categorised as follows:

Research & Development
Research & Development transfers of value are disclosed in the aggregate and encompass transfers of value to Russian healthcare professionals and healthcare organisations related to the planning and/or conduct of a clinical trial, as well as costs that are subsidiary to these activities.
