Methodological Notes

Disclosure by Tillotts Pharma of payments to Turkish healthcare professionals and healthcare organisations in 2015

The European Federation of Pharmaceutical Industries and Associations (EFPIA) Disclosure Code mandates the public disclosure in 2016 of certain transfers of value made during 2015 to European healthcare professionals and healthcare organisations. Tillotts Pharma is publishing such transfers of value made in 2015 to Turkish healthcare professionals and Turkish healthcare organisations on the website of Tillotts Pharma, www.tillotts.com, consistent with the EFPIA Disclosure Code.

The methodological notes below explain the data Tillotts Pharma have disclosed and how the data have been prepared, to assist the reader's understanding.

VAT

VAT is excluded from all disclosures of transfer of value.

Currency

All disclosures are made in Turkish Lira (TRY). Where the original payment was made in another currency, the sum was converted to Lira at 2015 annual average exchange rate.

Consolidated Disclosures of the Corporate Group and Cross-border Payments

The disclosures represent the consolidated transfers of value made by the Tillotts Pharma corporate group in line with the EFPIA Disclosure Code's dictate that separate entities belonging to the same multinational company (which could be the parent company and subsidiary company) shall be deemed to constitute a single company. In 2015, all transfers of value represent payments made by Tillotts Pharma AG.

Multi-year contracts

Where multi-year contracts are included in the disclosure of transfer of value made by Tillotts Pharma in 2015, the disclosures related to these multi-year contracts represent the services rendered and the payments made in calendar year 2015 under such contracts.

Data included

The data disclosed by Tillotts Pharma is consistent with the requirements of the EFPIA Disclosure Code. The data can be categorised as follows:

Sponsorship of healthcare professionals to attend educational events

Disclosed data includes travel costs (such as flights and transfers from airport to hotel or event venue). The disclosure data also includes accommodation costs such as hotel rooms, but does not include food and drink costs. The disclosure data also includes the registration fee, where applicable, for the healthcare professional to be registered to attend the educational event. Where permission to disclose transfers of value on an individual basis was not obtained from an individual healthcare professional, the transfers of value made to such healthcare professional are disclosed in an aggregated fashion.

Payment of consultants who provide services to Tillotts Pharma

Disclosed data includes the payment of honoraria to Turkish healthcare professionals who provided services to Tillotts Pharma during 2015. The disclosure data also includes reasonable and necessary expenses related to the services, such as travel and accommodation costs.
