Methodological Notes

Disclosure by Tillotts Pharma of payments to Bulgarian healthcare professionals and healthcare organisations in 2016

The Code for Disclosure of Transfers of Value of the Association of Research-based Pharmaceutical Manufacturers in Bulgaria (the ARPharM Code) mandates the public disclosure in 2017 of certain transfers of value made by pharmaceutical companies during 2016 to Bulgarian healthcare professionals and healthcare organisations. The disclosure data will be published on the website of Tillotts Pharma, www.tillotts.com.

The methodological notes below explain the data Tillotts Pharma have disclosed and how the data have been prepared, to assist the reader's understanding.

VAT

VAT is excluded from all disclosures of transfer of value.

Currency

All disclosures are made in Euros (€). Where the original payment was made in another currency, the sum was converted to Euros at the average annual exchange rate for 2016.

Consolidated Disclosures of the Corporate Group and Cross-border Payments

The disclosures represent the consolidated transfers of value made by the Tillotts Pharma corporate group in line with the EFPIA Disclosure Code's dictate that separate entities belonging to the same multinational company (which could be the parent company and subsidiary company) shall be deemed to constitute a single company. The disclosures for 2016 represent payments by Tillotts Pharma AG.

Multi-year contracts

Where multi-year contracts are included in the disclosure data, the disclosures related to such multi-year contracts represent the services rendered and paid for in calendar year 2016 under such contracts.

Data included

The data disclosed by Tillotts Pharma is consistent with the requirements of the ARPharM Code Code. The data can be categorised as follows:

Research & Development

Research & Development transfers of value are disclosed in the aggregate and encompass transfers of value to Bulgarian healthcare professionals and healthcare organisations related to a clinical trial in accordance with the Law on Medicinal Products for Human Use, as well as costs that are subsidiary to these activities.
