

Tillotts Pharma Twitter Community Guidelines

This Twitter Handle has been established with the purpose of sharing company communications, including news, press releases and general updates of Tillotts Pharma AG and certain of its affiliates (“Tillotts”), thereby including its affiliates in the Czech Republic, France, Germany, Ireland, Spain, Sweden and excluding its affiliate in the UK.

Healthcare is a highly regulated industry, and as a result the Tillotts’ Twitter Handle will not be able to participate in conversations related to any products or treatment options (either its own or those of other companies).

Tillotts appreciates your opinions and engagement on social media; however, we advise that sensitive conversations with regards to treatment or health status should be conducted privately or directly with your treating physician or healthcare professional.

Please note that a ‘Follow’, ‘Like’ or ‘ReTweet’ from the Tillotts’ Twitter Handle shall not be considered an endorsement or indication of a commercial partnership.

If you have experienced a side effect or have a question about a Tillotts product, please consult your physician or healthcare professional. Safety related information may be reported directly to Tillotts. Please visit <https://www.tillotts.com/products/product-safety/> for more information on how to report a side effect or submit any other inquiry.

Tillotts recommends avoiding any publication of personal health information and minimizing the amount of personal information shared on social media. Should you submit safety information regarding a Tillotts’ product, Tillotts may need to contact you to find out more information. In such case, we may process your personal data in accordance with our legal requirements, and information may be submitted to regulatory authorities. We may use third party data processors or other service providers to help meet our obligations, in which case such third parties have the necessary contractual obligations with respect to adequate protection and security of personal data. You always have the right to contact Tillotts at Tillotts Pharma AG, att: Legal, Baslerstrasse 15, 4310 Rheinfelden, Switzerland, with a request to inspect, correct any mistakes or request deletion of your personal data.

In order to access Twitter and the Tillotts’ Twitter Handle, you must agree to Twitter’s terms of use and privacy policy. Please visit <https://twitter.com/tos> for more information.

performed, copied or stored, or any derivative work created, for any reason without the express, written permission of Tillotts Pharma AG. The medical and health topics discussed herein may be intended for a healthcare professional audience and, in any case, should not be construed as medical advice. Please consult a healthcare professional for further information.

Certain information, opinions and data supplied by third parties may be incorporated herein, and Tillotts cannot guarantee the accuracy, completeness or integrity of any such material, nor does such material necessarily reflect the views and opinions of Tillotts.

Significant forward-looking statements may be contained herein that involve known and unknown risks, uncertainties, and various factors that may cause actual results to differ materially from those reflected in the forward-looking statements. Should one or more of these factors materialize, or should the assumptions underlying the presentation prove inaccurate, actual results may differ materially from those described herein.
