## **Methodological Notes**

### **Disclosure by Tillotts Pharma of payments to Italian healthcare professionals and healthcare organisations in 2023**

The Farmindustria Code on disclosure of transfers of value from companies to healthcare professionals and healthcare organisations mandates the public disclosure in 2024 of certain transfers of value made during 2023 to Italian healthcare professionals and healthcare organisations. The disclosure data will be published on the website of Tillotts Pharma, [www.tillotts.com](http://www.tillotts.com). The Farmindustria disclosure requirements are set forth in Section 5 of the Code of Conduct for the Pharmaceutical Industry.

The methodological notes below explain the data Tillotts Pharma has disclosed and how the data has been prepared, to assist the reader's understanding. Inclusion of this methodological note alongside the disclosure data is also mandated by Paragraph 5.10 of Section 5 to the Farmindustria Code.

#### **VAT**

VAT is excluded from all disclosures of transfer of value.

#### **Currency**

All disclosures are made in Euros (€). Where the original payment was made in another currency, the sum was converted to Euros based on the average annual exchange rate published by the European Central bank ([www.ecb.europa.eu](http://www.ecb.europa.eu)).

#### **Consolidated Disclosures of the Corporate Group and Cross-border Payments**

The disclosures represent the consolidated transfers of value made by the Tillotts Pharma corporate group in line with the EFPIA Disclosure Code's dictate that separate entities belonging to the same multinational company (which could be the parent company and subsidiary company) shall be deemed to constitute a single company. The 2023 disclosures represent payments by Tillotts Pharma AG, directly or indirectly.

#### **Aggregated Data**

Where permission to disclose transfers of value has been refused by individual healthcare professionals, or where permission was granted but then later revoked, all transfers of value made to them are disclosed in an aggregated fashion.

#### **Data Protection**

##### **Consent to disclose data**

In countries where it is required by applicable data protection laws, Tillotts has taken all reasonable steps to obtain consents from the HCPs, and HCOs, as applicable, to publicly disclose payments and other transfers of value. In accordance with EFPIA guidance, partial consents are not acceptable. If consent is not provided, the data will be reported on an aggregate level only.

##### **Consent collection and withdrawal**

Tillotts respects applicable data protection laws. If a stakeholder withdraws the provided consent, Tillotts will adjust the publication accordingly within a reasonable time.

## **Data included**
